

BSNL Launched GO GREEN INITIATIVE Offers Loyalty Reward Points to Customers

Every small 'GREEN' step taken today would go a long way in building a greener future and that each one of us can work towards a better global environment.

Under this initiative BSNL is encouraging its customers to “GO-GREEN “ by subscribing telephone bills on “ Email “ . This will reduce the consumption of paper in printing the telephone bills and delivery of bills on cost efficient automated channels basis thereby building awareness and consciousness of environment protection.

India’s most trusted Telecom brand Bharat Sanchar Nigam Limited (BSNL) offers **10 Loyalty Reward Points** to BSNL Landline and Broadband customers who opt for getting their bill through "E- mail Only" option and also Hassel free immediate receipt of telephone bill through "EMAIL".
